## FOREWORD

The Student Government Association, based on powers and laws granted by the President and Faculty, has control of all matters pertaining to the conduct and social life of the students. All students should learn to appreciate that the least disregard of the rules on their part means extra care upon their fellow students who, though conscientiously assuming office under the Association, have yet come to college to enjoy and make use of the advantages that LaGrange College offers.

To learn to live honorably and unselfishly in a community and to share in the responsibility of the government is a part of the broader education for which we come to college. We ask of all students their hearty cooperation. We hope our Student Government Association will succeed in helping its students to be intelligent citizens and thinking individuals.

## The L. C. Student's Creed

Life is mine to live, That I may cherish it  
And right royally meet its responsibilities,  
I would lay aside that which is  
Narrow, selfish, ignoble, and unkind,  
The false, superficial, the dishonest,  
I would shun in thought, word, and deed,  
Rather may I cultivate in my college life  
Those traits and ideals that will fit me  
To weave dreams into realities, and impressions into  
character.

To meet bravely the hard tasks of life;  
To bring joy to those who falter in their tasks.  
I would strive to judge more kindly,  
Trust more fully, and love more deeply,  
That my life may reflect His goodness.  
And my soul may grow in the knowledge  
Of Him, whom to know is life eternal.

## Alma Mater

Hail to thee, our Alma Mater,  
Guardian of our days;  
For thy spirit never failing  
We will sing thy praise.  
High aloft we hold thy banner  
Ever loyal, true;  
And to thee, our Alma Mater,  
We our pledge renew.

In thy mighty groves of learning  
Wisdom's paths we've sought;  
High upon thy lofty hilltop  
Visions have been wrought.  
From our hearts we sing the chorus  
Time shall never change,  
Hail to thee, our Alma Mater,  
Hail to thee, LaGrange.

## Greetings to the Students

Greetings to you—to you who have been at LaGrange in the past and in a special way to the freshmen and transfer students who come for the first time. I join others in welcoming you to the warm, friendly relationships that are found on the Hill.

We are glad to have you as students because of what we can offer you and of what you bring to us. What you get from college life will depend in a large measure on what you bring. If you want friends, be friendly. If you want others to share with you, share with them.

We have a well-rounded program at LaGrange. We have provision for physical, social, intellectual, and spiritual development through the activities of each day. As you enter college you begin a new chapter in the story of your life. May the story be one of which you and all may be proud.

# What Our Student Government Means

Student Government at LaGrange College is designed to help and guide the students during their campus life. Every student has his own personal responsibility as a member of this campus democracy. The Student Government, in cooperation with the administration and faculty, directs all matters pertaining to student affairs, and gives to each student the opportunity to live as honorable and unselfish citizens in a community governed by him and his fellow students.

The Student Government Association annually elects a Student Council to represent the student body, and to determine and carry out the policies of the Association.

The Student's Creed firmly states the purpose of each student on the campus. It is well for students to know the creed on their arrival and to do their best to carry it out in campus relationships.

Each student must feel that the Student Government Association is not just an organization that makes and enforces rules and regulations. It operates as a guiding force in our individual and collective efforts to gain the freedom that we feel comes to those who respect rules and regulations, and yet go beyond mere rules to base their actions on love and respect for self and others.

By living up to the ideals of LaGrange College, student government will continue to be a government of the students, by the students, and for the students.

# About Your Student Christian Association

The center of religious activities on the LaGrange College campus is the Student Christian Association, which is affiliated with the National Y.M.C.A. and the National Y.W.C.A. and participates in the World Student Christian Federation.

Every student matriculated in the college who is willing to make the purpose of the association his own is a member of the Student Christian Association.

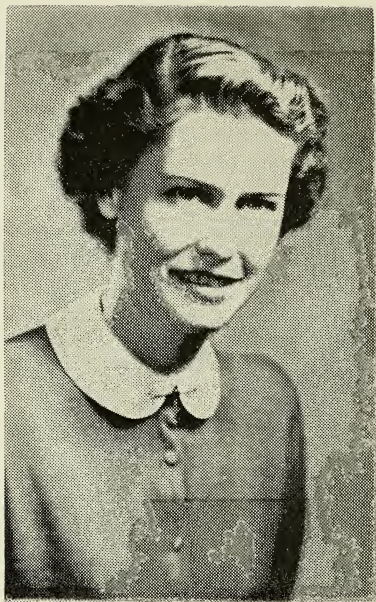

Each new student has been given an S.C.A. Friend, whose special concern is to help him in becoming adjusted to life at LaGrange College.

Most of the work of the S.C.A. is carried on through the committees which hold planning meetings monthly. Each individual is given the opportunity during S.C.A. Week to decide upon the committee on which he will serve. The activities are varied enough to meet the needs of every individual and to give each person an opportunity for Christian service. Vesper services and nightly meditations are sponsored by this organization. The S.C.A. supports a French war orphan, participates in the World University Service, gives a Christmas party for the college servants, sponsors Christmas caroling and many special services, and carries on various service projects in the community.

In all of its activities the S.C.A. attempts to offer opportunities for spiritual growth and to realize the ideals of Christianity in our campus community.

## About Your Athletic Association . . .

The Athletic Association of LaGrange College strives to create team cooperation and a spirit of good sportsmanship.

Every L. C. Student is a member of the Athletic Association. The Athletic Association Council promotes all the activities, but the interest and participation of each of you is needed for a successful year.

The Association sponsors May Day, Field Day, Stunt Night, the faculty-student volley ball game, and other sports and recreation during the year.

Everyone is urged to work for a college letter by accumulating the required number of points as specified in the point system. All those receiving letters become members of the "L" Club. Trophies and cups are awarded to sororities, fraternities, and individuals for winners of Field Day events.

You are a vital part of the Athletic Association. We want each of you to participate in our sports program and enjoy the recreation during the year.

# Customs and Traditions

College traditions make college life worthwhile. When you come to LaGrange, you not only enjoy the customs handed through the years, but you have a share in adding to the traditions of your Alma Mater.

During the first month of orientation many organizations entertain the new students in various ways.

The Student Government Association will honor the new students at a reception to introduce members of the administration and faculty.

The Junior Class honors their Sister Class with a party on the first Saturday night.

During the second week the Athletic Association gives a weiner roast at Pine Mountain for the new students.

To climax SCA Week a party is given for the new students.

Early in October, Freshmen sign their pledges and officially become a part of the Student Government Association. Also, on this night the Juniors reveal the names of their Little Sisters and Brothers. The sister-brother relationship between the classes is one of the treasured aspects of our college life.

The local sororities and fraternities, which everyone has the privilege to join, provide social activities for the students. Bids are sent out at a time designated by the Inter-Sorority and Inter-Fraternity Councils.

The S.C.A. sponsors a Christmas party for the servants

every year. Each student places a present under the Christmas tree in the Dining Hall for one of the servants.

Christmas Caroling in town is a big event before the holidays.

The Sophomores honor their sister class, the Seniors, at a banquet in the Spring.

The seniors, juniors, and underclassmen sing to each other at midnight on Commencement Sunday. The singing is followed by a Communion Service in the Little Chapel.

## Hints to the Freshmen

Be wise—know your handbook before you come to College!

The Student Government is here to help you, not to catch you. You may turn to the Council at any time for help.

If you don't know, ask. Curious freshmen make wise sophomores.

Each new student has an S.C.A. Friend who will contact you before Fall. This person will be glad to help you get adjusted to college life.

Near the first of school every girl will need a formal dress for the Student Government Association Reception and a white dress for the S.C.A. installation.

Everyone is expected to attend the church of his choice every Sunday.

Be sure to check your watch with the college clock.

Don't be afraid to make mistakes; just don't let it become a bad habit.

Bad work for the first semester may handicap you through the whole year.

It is good taste to freshen up for dinner and to wear appropriate street clothes in town.

Pay all dues on time.

Remember that you reflect your home. Also, your own

good name and the good name of your college are represented by your actions.

Honor is too dear to be compromised for popularity, or for the fear of being unpleasant.

Chronic borrowers do not make good friends.

Enjoy the chapel periods—don't be discourteous by studying when we have a guest speaker.

Class spirit makes a college spirit!
